

# IILL SITNICK THE JOURNEY

### AUTHOR | JOURNEY EDUCATOR | ADVOCATE

As a healed survivor of childhood trauma-induced PTSD with Psychedelic-Assisted Psychotherapy, I am an unaffiliated credible voice who can explain how the therapy works in order to combat the stigma surrounding psychedelics.

I created my memoir, workbook, and YouTube channel to explain the value of this healing modality and advocate for more research focused on psychedelics for mental health. Contact me: <u>Jill@thejourneysage.com</u>
